

211.9117 Display of certification number -- Limitation of activities of persons with dual certifications.

- (1) Any person certified and given a certification number by the cabinet as a measurement or mitigation contractor shall:
 - (a) Prominently display his or her certification number on all advertising disseminated, whether directly or indirectly, to the general public, except when advertising pertains to novelty items such as small mass-produced items of minimal value;
 - (b) Prominently display his or her certification number on all vehicles utilized in advertising, using letters and numbers at least three (3) inches in height. The certification number shall be legible and visible at all times the vehicle is being operated; and
 - (c) When operating under the name of a business entity, satisfy the requirements of paragraphs (a) and (b) of this subsection by displaying the certification number of the measurement or mitigation contractor, as applicable, employed by the business entity.
- (2) A person certified as both a measurement and mitigation contractor who conducts mitigation on a residential or commercial building shall not conduct measurement on that same building to determine the need for mitigation, or the successful completion of mitigation activities, unless the measurement shall be used for diagnostic purposes only. At a minimum, the results of any measurement conducted to determine the need for mitigation, or the successful completion of mitigation activities, shall be sent directly to the person providing compensation for the mitigation activities by the independent measurement contractor conducting the measurement.
